<sup>1</sup> Defendant respectfully notes that the Order scheduling this conference was issued just yesterday afternoon on Tuesday, May 11, 2020. *See* ECF No. 198. As such, Defendant could not have made the instant request at least five business days in advance of same as contemplated by Your Honor’s Individual Practices, Section 1(F). Instead, this application is timely made in that it was made as soon as possible following Defendant becoming aware of the instant Conference being scheduled, and following Defendant confirming amenable dates of availability with your Deputy Clerk and with Plaintiffs’ Counsel.
